PARENT / TEACHER CONFERENCES

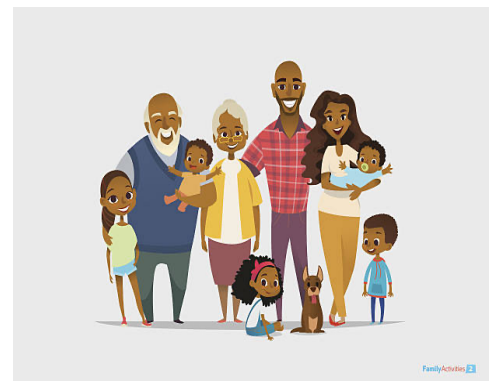

On Wednesday May 31st, you are invited to join us for an evening of "sharing" regarding your children's learning and development. The teachers have been working hard with portfolio collection and work sampling assessment.

They would love to have your input as we plan for the next steps for curricula and lessons for the rest of the year. We will be here from 5:30 – 7pm that evening. Refreshments will be served. Families will be able to view their children's documentation, and confer with the teachers regarding their child's progress. (Please realize that time will be limited.)

If you desire a more formal conference, please set up an appointment with your child's teachers.

"Play is often talked about as if it were a relief from serious learning. But for children play is serious learning. Play is really the work of childhood."

~Fred Rogers~

"Each day of our lives we make deposits in the memory banks of our children."

Parents As Advertisers

Our best source of advertising has always been by word-of-mouth from current and/or former families. Please spread the word of your satisfaction with our center. With your support we can continue to provide full day / year-round preschool and child care for working families, and continue to build the foundations for success for the children. Thank you for your continued support.

In honor of Mother's Day...

My Dearest Mother Poem

My mother is a special part
Of all that's cherished in my heart,
She is my pearl, my soul, my mate;
She is the one to make life great.
She is an angel without the wings,
Who makes life special with the
littlest things,

Whenever I'm in need of love,
She is there from the heavens
above;
Whenever I'm in need of a shoulder,
There's no one as devoted as my
mother.

Her presence and love have always
been there,
Everything in her nature is to only
care,
With every soft hug and kiss
The world seems more beautiful and
blessed.

I'm sorry for all the times I caused
you pain,
But after these brief storms my love
still remains.

I love you so much,
I will love you forever-
I wrote your name on my heart
And it will stay there forever, and
ever...

REMINDERS

Since the weather is turning nicer, please remember to bring in a current change of clothes for your child. We will be going outside every day, so chances of getting dirty are more likely than through the winter months. Also, please make sure your children are dressed appropriately for the weather.

THINGS FROM HOME

Parents are asked to keep their children's personal belongings, such as toys, purses, and jewelry, at home because of possible breakage and problems with regulating use. They may occasionally bring a CD or book for the teacher to play or read, but please make sure the items are marked with first and last name and given to the teacher upon arriving. Please remember we are not responsible if personal belongings are lost or broken.

SHOES / SANDALS

For safety reasons all shoes worn must have closed toes. Sandals must also have heel straps.

CUBBIES

Remember to have your child clean out his or her cubbie everyday before going home. There may be pertinent information for you to read.
